OES EMAIL BLAST

Facilitator: Elaine Engelke at engelm@tds.net

.....

Dear Sisters and Brothers,

What a wonderful boost it was to receive all of the beautiful cards, messages, visits and phone calls during my recent stay in the hospital and rehab. "Thank you " does not adequately express my gratitude to all who remembered me. But I do mean it most sincerely. How lucky I am to belong to an organization with such caring and considerate members.

I am home and progressing well - doing my exercising, walking and slowly getting caught up on the routine activities. I am so very lucky to have such a loving and helping family.

Thank you again for all of your thoughts and caring.

Hugs,

Audrey Pavlik
